-  Existing close boarded timber fencing retained as existing
-  Proposed new 1100mm high PPC Galvanised bow top fencing
-  Existing shrub planting retained as existing - external to play space boundary
-  Existing amenity grassed verges - external to play space boundary
-  Proposed native thicket planting pockets retained providing filtered views into the play space from adjacent residents.
Cornus sanguinea
Corylus avellana
Crataegus monogyna
Lonicera periclymenum
Sambucus nigra
Viburnum opulus
Maintained at 1.5m high
-  Proposed pollinator planting beds to be planted with species such as:
Aster spp.
Borago officinalis
Buddleja davidii
Echinacea spp.
Erysimum cheiri
Prumula vulgaris
Rosmarinus officinalis
Hedera helix hibernica
Lavandula angustifolia 'Hidcote'
Lonicera periclymenum
Salvia pratensis
Sedum spectabile
Aster spp.
Verbena borienis
Centranthus ruber
Lonicera periclymenum
-  Proposed timber sleeper raised beds for community participation sensory planting. Suggested species taken from:
Lavandula angustifolia
Rosmarinus officinalis
Briza maxima
Stachys byzantia
Thymus spp.
Oreganum vulgare
Heuchera sp.
Salvia argentea
Melissa officinalis
Fragaria vesca
1200 x 1200 x 600mm high
-  Proposed Wildflower Meadow Mixture. Emorsgate (or similar) EM1 Basic General Purpose Meadow Mixture, slightly modified to include a larger percentage of robust tussock grass.
-  Proposed Tussock Grass Mix to play space peripheries. Emorsgate (or similar) EG10 Tussock Grass Mix.
-  Proposed Seating. Broxap (or similar), Treated SW Hatton 4 slat seat. Ref: BX17 4055
-  Proposed Bench seating. Broxap (or similar), Modular radius bench. Ref: BX/HMP 450016
-  Proposed Natural Play. Playdale Playgrounds (or similar), Tree trunks for play. 2000 x 600mm 2400 x 600mm
-  Proposed Natural Play. Playdale Playgrounds (or similar), Caledonian Mixed Glacial Boulders. 500 x 500 x 500mm 750 x 600 x 600mm 1000 x 700 x 800mm 1200 x 800 x 800mm
-  Proposed Natural Play. Wicksteed (or similar), Balancing Stepping Logs. Heights vary.
-  Suggested location for litter bin

ECOLOGICAL ENHANCEMENTS KEY

-  Suggested location for hedgehog house
For details refer to Preliminary Ecological Appraisal by Wild Service
-  Suggested location for bird/bat boxes
For details refer to Preliminary Ecological Appraisal by Wild Service
